Respectfully presenting petition for action of Court and for cause as follows:

On December 11, 2005 at 8:14 am Pretrial Services was alerted to a violation of the defendant's electronically monitored house arrest, specifically that the defendant had left his residence without authorization at 7:44 am. The defendant was contacted on his cell phone and advised the undersigned that his car was stolen and he was going to North Bergen Police Department to file a report. The defendant stated that after the police department he was going to work at his father's store until 4:00 pm. On December 12, 2005 Pretrial Services was contacted by the defendant's sister, Aaya Kales. She stated that the defendant never came into work on December 11, 2005 and her father was concerned as he is third party custodian. On December 13, 2005 Pretrial Services spoke with Officer Velez from North Bergen, NJ Police. He verified that the defendant and another individual, Jacqueline Odino, had come in to report that Ms. Odino's car was stolen from the defendant's residence. No report was filed as they did not have any paperwork verifying ownership of the car. Officer Velez indicated that the defendant arrived at the station at 9:15 am and left at 10:30 am. Reports from the monitoring center show the defendant returning home on December 1, 2005 at 4:38 pm.

PRAYING THAT THE COURT WILL ORDER Bail conditions to be modified revoking employment and education exceptions to home confinement and placing the defendant on twenty four hour house arrest with exceptions for attorney visits and medical needs.
